Subject: San Mateo Creek Basin Legacy Uranium Mines - CERCLA 104(e) Information Request - Request for Extension

Pamela,

Thank you so much for returning my call today. To confirm our discussion, ConocoPhillips Company has requested a forty-five (45) day extension to respond to the EPA's Information Request regarding the above Site (or until **August 29, 2011**). I will wait to receive a formal letter from you indicating whether the forty-five day (45) extension has been granted. ConocoPhillips will provide a response within the timeframe granted.

Your cooperation is greatly appreciated.

Willette A. DuBose
